Australian Power Institute Award For Best Paper

2015 IEEE PES ASIA - PACIFIC

POWER AND ENERGY ENGINEERING CONFERENCE

Brisbane Convention Centre November 15th-18th 2015

About the Australian Power Institute (API)

The API is a national organisation established by the Australian power industry to boost the quality and number of power engineering graduates and help them to be "work ready" when they join the industry. The API also provides continuing professional development for power engineers. For more information see www.api.edu.au

The API Award For the Best Paper from an "API Associate"

API has generously offered an award of $1,500 for the best paper authored or co-authored by an API associate defined as being a current or past API (or PEA) Bursary holder or a past attendee at any API Summer School.

Paper Preparation and Submission

Papers must be prepared and submitted in accordance with the criteria set out in the "call for papers" and "paper submission" found on the conference website www.ieee-appeec.org.   A copy of the paper must also be submitted to the conference organiser email appeec2015@ieee.org with email titled API Award for Best Paper.

Judging and Presentation of Award

Papers will be judged by members of the Conference organising committee based on the papers originality, industry relevance, innovation and clarity. The API award will be presented at the conference by API CEO Mike Griffin.
