

ANZSCON | 2022

IEEE AUSTRALIA & NEW ZEALAND
STUDENTS AND YOUNG
PROFESSIONALS CONGRESS
ADELAIDE, SOUTH AUSTRALIA

ANZSCON is a biennial event that draws around 100 students and young professionals for two days of presentations, workshops and forum discussions. The format allows plenty of networking opportunities and we would welcome your involvement in the event. In 2022, ANZSCON is being held on the 1-2 October at The University of Adelaide's North Terrace campus.

Benefits of Sponsoring

- Direct access to an audience made up of students and young professionals from Electrical and Electronic Engineering
- Exposure to local and national delegates
- Opportunities for interactions with delegates including:
 - Exposure of your company logo on workshop publications
 - Links to your website on the conference website
 - Distribution of company flyers
 - Setup an exhibition display to promote your company
 - Acknowledgement as a sponsor at opening and closing sessions

About Us

ANZSCON brings together engineering students and young professionals to engage with trends in science and technology, discuss present and future engineering challenges, develop new skills and share technical, social and professional experiences.
