2018 IEEE Global Blockchain Summit
Calling for Patrons . Bring Your Exhibitions to Washington, D.C

Sept. 17 - 19, 2018, NIST Gaithersburg Campus Conference Center, Gaithersburg, MD, U.S.A

About IEEE Global Blockchain Summit

The 2018 IEEE Global Blockchain Summit, which will be held on September 17 – 19, 2018 at NIST Gaithersburg Campus, 20 miles from U.S. capital, Washington, D.C., will bring together thought leaders, decision makers and technologists to discuss the challenges and opportunities of blockchain technology. Attendees from government, industry, and academia will present on various topics including the current technology landscape, applications, use cases, policy, and regulations to help instill providence tracking functionality into vital internet applications reliant on trusted immutable data. As a decentralized, secure and resilient architecture, Blockchain is uniquely positioned to provide these services.

The international audience, especially blockchain experts and policy influencers at this Summit make this event an outstanding opportunity to promote your company. Sponsorship will provide you with direct access to hundreds of IT industry decision makers from all parts of the globe, and help you assess the state of the market and the industry's future needs and trends. Involvement as a sponsor of at the Summit is a cost effective, high-impact way to provide existing and new customers with ideas, products and answers. The options for contributing are on the right. All sponsors will be acknowledged in the Summit's program book and its website http://sites.ieee.org/blockchainsummit/.
