

Accepted papers final instructions

Dear Authors,

We would like to congratulate you for the acceptance of your article. Your contribution will be very important for the academic community. However, to formalize the publication of your document on IEEEExplore, you need to comply with 4 phases, and submit your final version until 11/09/2021:

1. Paper style adjustment according to the IEEE template
2. PDF eXpress verification
3. Final version submission on EasyChair.
4. Copyright agreement signature.
5. Next, each of the phases will be detailed, keeping the order:

Phase 1. Paper style adjustment according to the IEEE template

At this stage it is needed to adjust the paper style according to the IEEE format. Those papers using the LaTeX sources, must replace the phrase ***Index Terms*** with ***Keywords***. Likewise, be attentive to the information of the authors and affiliations. Additionally, the Copyright notice must be included in the document. Papers with more than 6 pages may be admitted but have to pay \$20 for each additional page, **Before September 11th**.

- Copyright notice, included in the template (must be included manually by authors):

For papers in which all authors are employed by the US government, the copyright notice is:
U.S. Government work not protected by U.S. copyright

For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the copyright notice is:

978-1-6654-4141-4/21/\$31.00 ©2021 Crown

For papers in which all authors are employed by the European Union, the copyright notice is:

For all other papers the copyright notice is: 978-1-6654-4141-4/21/\$31.00 ©2021 IEEE
