TRAVEL GRANT

The conference organizing committee is delighted to announce the travel grant for IEEE AUS-NZ/R-10 CMD Program to be held in conjunction with the 2023 International Conference on Energy Technologies for Future Grids (IEEE ETFG 2023).

The Travel Grant is administered by the Conference Committee and provides the following Travel Grants for 15-20 winning recipients:

- **\$1000 Travel Grant for workshop attendee from New Zealand.**
- **\$750 Travel Grant for workshop attendee from Australia and outside NSW & ACT.**
- **\$500 Travel Grant for workshop attendee from ACT.**
- **\$250 Travel Grant for workshop attendee from within NSW.**

Complete the Travel Grant Application Form and submit by 1 October 2023

Legitimate expenses will be your travel cost, accommodation, stipend cost, conference registration cost, etc. Claims for Travel Grants can be made using tax receipts only. Successful grant recipients will have costs reimbursed by IEEE (further details to be provided to successful candidates.)

Eligibility criteria for Travel Grants:

- Be an IEEE IAS student or Young Professional Member.
- Be registered for the IEEE ETFG conference (minimum one day) and preferably present a paper or poster during the conference.
- Be an active member of the existing IEEE IAS Chapter in Australia or New Zealand; or willing to form an IEEE IAS SB chapter; or new member willing to be attached to a local IEEE IAS Chapter in your university or locality before the conference date.
- Complete the Travel Grant Application Form.
- Attend the CMD workshop during the IEEE ETFG conference to be scheduled in the program.

*Note: Grants are maximum claimable amounts by tax invoice.
If, in the opinion of the Selection Committee, the quality of the submissions does not sufficiently meet the evaluation criteria, the committee reserves the right not to present awards.*
