SPONSORSHIP PROSPECTUS

The IEEE International conference on Energy Technologies for Future Grids (IEEE ETFG 2023) is the first biennial conference organized by the Australian Research Council Industrial Transformation Training Centre in Energy Technologies for Future Grids (ARC Future Grids ITTC) in collaboration with the Federal Government, NSW State Government, Universities and Industries in Australia.

TARGET AUDIENCE & REACH

The conference will provide a forum for researchers, policy makers and industry professionals to share their knowledge and experience in the latest technologies available in modernizing grid infrastructures. The conference aims to have 400-500 in-person international and national attendees.

WHY SPONSOR?

Sponsorship at IEEE ETFG 2023 provides partners an exposure to international experts in the power and energy sector. The conference will be marketed through many channels, including the IEEE network, ARC Future Grids ITTC and Wollongong University websites and social media. Our marketing will translate into significant national and international exposure for our sponsors.
