The IEEE-IAS I&CPS Department invites you to submit papers for 1st IEEE I&CPS Asia Conference which will be held by Shandong University in Weihai, China. I&CPS Asia 2020 will focus on '**Grid Edge, Reforming the Future**'.

We solicit proposals for short courses and tutorials to be held at the 2020 IEEE IAS Industrial and Commercial Power System Asia (I&CPS Asia 2020). Courses and tutorials will take place on **July 13th 2020**, the first day of the conference.

The short course or tutorial should aim to give a comprehensive overview of a specific topics related to **Industry and Commercial Power System**.
