

## Poster Guidelines

All poster boards will be located in Hall 2 of the SEC, alongside the exhibition and catering.

Each poster will be displayed for one day of the Symposium. Poster authors have been advised of which day they will present their poster and their unique poster number.

All poster boards will be numbered to correspond with the unique poster number for that day and Velcro will be provided on each board.

Please bring your poster with you to the Symposium on the relevant day. There will be no printing facility onsite and no storage for posters not being displayed that day.

Poster boards are 2m high x 1m wide. Posters must be printed **A0 portrait size**. A0 has the dimensions width 841mm x height 1189 mm. We recommend you print your poster on paper and not on fabric.

Each presenter is responsible for putting up and taking down their poster. Posters should be hung on the assigned board at the following times on the allocated day:

Poster mounting:	Between 07:00 and 09:00 each morning
Poster removal:	Between 16:00 and 18:00 each afternoon

Please note that any posters remaining on the boards at 18:00, will be removed by the Organisers and will be recycled.
