

IEEE R10 HTC 2021

Sponsorship Details

Dear Sir/Madam,

Subject: Request for Sponsorship for IEEE R10 HTC to be held in Bangalore from September 30 to October 2, 2021.

IEEE Bangalore Section is pleased to announce that it has been selected from across the Asia-Pacific region (R10) of IEEE to conduct the R10 Humanitarian Technology Conference here in Bangalore in 2021.

IEEE Region 10 Humanitarian Technology Conference (R10 HTC) is a premier annual cross-disciplinary conference. Conducted annually across the Asia-Pacific region, this unique and popular conference provides a common platform for engineers, technologists, scientists, representatives from NGOs, governments, academia, industry, and investors to discuss recent advances in Humanitarian Technologies. The conference places a special emphasis to convey technology-based solutions for global SDGs.

The 9th edition of IEEE R10 HTC will be held in Bengaluru, India from September 30 to October 2, 2021. We are delighted to announce that IEEE Bangalore Section is hosting this prestigious conference for the first time in 9 years and this is only the second time that the event is being held in India. The theme of this popular Conference will be – "Reverse Innovation for Humanitarian Technology Solutions using Science, Technology, Engineering and Management (STEM)"

The IEEE Bangalore Section has been successfully conducting many conferences, workshops and events over several years. As IEEE Bangalore Section Chair, I would personally like to take this opportunity to invite your organization to be a part of this unique international gathering. It is expected that more than 1000 people from India and across the world will participate in this conference which will be conducted in a blended mode of both online and offline events. Please find enclosed a pre-conference note highlighting the important details about the conference, including the sponsorship benefits and other details. On behalf of the organizing Committee, I request you to sponsor this event generously, to support humanitarian technologies, create leadership and improve equity and sustainability in the world. The sponsorship packages are attached for your kind reference. For the selected sponsorship package, you are entitled for the benefits in both the international events. For any queries about the sponsorship aspects, kindly contact our Sponsorship Committee r10htc@ieeebangalore.org. We look forward to your encouragement and active participation.
