Region 2 Student Activities Conference – SAC2020 - Call for Papers

University of Maryland Baltimore County, Baltimore MD
April 3-5 2020

Dear Esteemed Colleagues;

Are you a graduate or undergraduate student with research to publish? Look no further than SAC2020, IEEE Region 2's flagship student conference.

The 2020 IEEE Region 2 Student Activities Conference will be held in beautiful Baltimore, MD, over April 3-5 2020. SAC2020 is sponsored by the University of Maryland, Baltimore County, the IEEE Baltimore Section, and IEEE Region 2.

SAC2020 will consist of student competitions, lectures from industry representatives focusing on recent trends, and poster sessions portraying student research in Region 2. This year, SAC2020 is offering IEEE Student Members and Graduate Student Members the opportunity to participate in an official IEEE conference, and **have their quality work published by IEEE.**

Student papers are solicited in; but not limited to the following topics:

- Brain to Computer Interfacing
- Photonics & Optical Devices
- Robotics
- Mathematical and Computational Methods in EM
- Biological Effects and Medical Applications of RF and Microwaves
- Antennas and Propagation
- Wireless Communications (5G and Beyond)
- Internet of Things
- Wireless Power Transfer and Energy Harvesting
- Simulation and Characterization Techniques
- Quality research in other relevant topics

Submissions must be of original contributions and should not have been presented or published anywhere. Authors of the accepted papers must guarantee that at least one of the authors will attend the conference and present the paper in a 15-minute session. Paper should not exceed 6 pages following the IEEE format.

https://ieeeauthorcenter.ieee.org/create-your-ieee-article/

Conference papers will be submitted to IEEE Xplore (EI Compdex and SCOPUS indexed).

Important Dates:

Last date for receiving full paper	January 3, 2020
E-mail notification of paper acceptance	No Later than January 31st
Last date for receiving camera-ready paper with modifications	February 7, 2020
