About Us

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

IEEE Women in Engineering (WIE) is a global network of IEEE members and volunteers dedicated to promoting women engineers and scientists and inspiring girls around the world to follow their academic interests in a career in engineering and science.

Our Vision

IEEE Women in Engineering (WIE) Forum USA East focuses on developing and improving leadership skills for individuals at all stages of their careers. Attendees will have the opportunity to hear inspirational and empowering talks presented by successful leaders.
