## ABOUT US

---

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

IEEE Women in Engineering (WIE) is a global network of IEEE members and volunteers dedicated to promoting women engineers and scientists and inspiring girls around the world to follow their academic interests in a career in engineering and science.

# OUR VISION

The IEEE Women in Engineering (WIE) Forum USA East is dedicated to fostering leadership development for professionals at every career stage. Rotating between IEEE Region 1 and Region 2 in the Northeast USA, our forum offers attendees the chance to gain inspiration and empowerment from renowned leaders. Through dynamic workshops and engaging panel discussions, participants will explore emerging technologies and innovative STEM outreach initiatives.

# FORUM THEME

Our 2025 theme, "Innovate to Elevate," inspires us to rise to new heights by using innovation as a catalyst for growth and transformation. Across industry, academia, entrepreneurship, and government, innovation drives solutions, breaks barriers, and propels success. This theme emphasizes advancing technology, fostering creativity, and embracing forward-thinking leadership. Together, let's explore how bold ideas and collaboration can elevate us all to new levels of achievement
